

2020 Perennials for Shade (p. 10)

Japanese Painted Fern
Shade to Part Sun, 12-18" tall

Christmas Fern
Shade to Part Sun, 12-18" tall

*June Hosta**
Shade to Part Sun, 15" tall x 20" wide

*Patriot Hosta**
Shade to Part Sun, 22" tall x 30"

These perennials offer great contrasting colors and textures for garden areas that get less than 4 hours of sun per day. The hosta flowers are also great attractors for butterflies and hummingbirds. For more shade perennial ideas, see our NEW "Shade Garden-To-Go" which includes some unique premium shade-loving plants.
