

2024 Fall & Winter Social Saturday Workshops

“Social Saturdays” are the gatherings of our Shady Lane Greenhouse Garden Club. You can join in on Social Saturdays without being a member, but membership only costs \$5, a one-time fee. We meet the *second Saturday of the month at 10:30 am in the greenhouse*. We discuss gardening challenges, answer questions, and then do a project. Cost and time to complete the project varies depending on the project. Shady Lane Garden Club members get \$5 off their project fee.

Please call ahead at 262-251-1660 to reserve a spot for these Social Saturday workshops as we do have space and material limitations.
